

Product Information

Prevents gum & varnish formation

Five Star Super Red Pneumatic Air Tool Lubricant™

- Prevents gum & Varnish formation
- Dissolves gum & Varnish formation
- Insures smoother starts
- Special Rust & Oxidation inhibitor
- Clean and Free running

Super Red Air Tool oil is prepared specifically to meet the needs of rotary and piston-type air tools. Super Red Air Tool lubricates moving parts, prevents rust formation with a special rust and oxidation inhibitor that insures smoother starts. It dissolves gums, varnish deposits and sludge's that rob tools of speed and efficiency. Its daily use on all types of air powered impact wrenches, hammers, grinders, sanders, drills and other equipment helps to ensure top performance.
