

Product Information

Five Star Lube™

Rim Rust Retardant & Tire Mounting Lubricant

- Recommended for Rims, Tires, Wheels and 5th Wheel
- Prevents Scale & Rust Formation
- Lubricates Rim and Tire for Easy Installation or Removal
- Protects Tires, Wheels, Tire Flaps and Rims for Many Changes

A premium quality Rim & Rust Retardant & Tire Mounting Lubricant that has been specifically formulated to meet the severe demands of the fleet, commercial and off-road tire mounting and demounting services.

Five-Star Lube™ is recommended for rims, tires, wheels and 5th wheels. It's special proprietary additive package prevents scale and rust formation and lubricates the tire for easy removal or mounting. Five-Star Lube™ Protects tires, tire flaps and rims through multiple tire changes.

Directions:

Completely remove all foreign material including rust, dirt, from all wheel, rim and tire surfaces. With a stiff brush lightly coat all interior surfaces previously cleaned. Always install tire in accordance with manufacturers recommendations. There are many causes of tire or rim failure, defective tires, rusty rims, improper tire or ring installation, etc. Because of this we can make no warranties, expressed or implied.
